Dear Mr. ^GQuinn:

U.S. N.R.C.
LIC. FEE MGMT. BRANCH

As per the phone conversation between you and Dr. Hayes on October 19, 1984, I am writing to request a transfer of the NRC license No. 47-23012-01 from Kanawha Valley Radiologists, Inc., to our private facility. The Putnam General Hospital wishes to become the licensee under this transfer.

The change of the licensee in this instance will not affect in any way the radiation safety officer, the committee, the personnel, or the site of operation. I will be very happy to discuss this matter with you if there is any other information needed.

Very truly yours,

Shirley A. Perry
