Dear Mr. Butler:

River Bend Station - Unit 1
Docket No. 50-458

In response to your letter dated September 25, 1985, this weekly status report is being provided which identifies those license conditions and other commitments that have been completed during the previous week and cumulatively since issuance of the low power license. Attachment 1 is a cumulative listing of license conditions and Attachment 2 covers other important commitments that have been completed. Should you have any questions, please contact W. J. Reed of my staff.

Sincerely,

J. E. Booker
