Subject: B&W Owners Group Leak-Before-Break Report
BAW-1847, Rev. 01, Dated September 1985, "B&WOG
Generic Leak-Before-Break Evaluation of the Margins
Against Full Break for the RCS Primary Piping of
B&W-Designed NSS"

Dear Mr. Thomas:

Enclosed is a copy of the subject report. This report was previously transmitted to you on October 7, 1985. Subsequently changes have been made to the report, please discard the report attached to the October 7, 1985 letter and replace it with the attached document.

If you have questions, please contact J.F. Walters at (804) 385-2208.

Very truly yours,

J. H. Taylor
Manager, Licensing
