December 26, 1985

United States Nuclear Regulatory Commission
Washington, D.C. 20555

Attention: Mr. George E. Lear, Director
PWR Project Directorate #1
Division of PWR Licensing - A

References: (a) License No. DPR-3 (Docket No. 50-29)
(b) Letter USNRC to YAEC, dated November 30, 1985

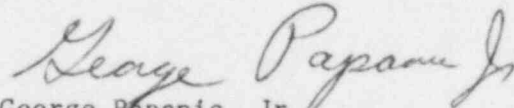

Subject: First Level Undervoltage Protection

In Reference (b), it was requested that Yankee provide a schedule for addressing the loss of voltage (first level undervoltage) protection by December 30, 1985.

Yankee will submit a propose change or justification why a proposed change is not necessary by June 30, 1986.

Very truly yours,

YANKEE ATOMIC ELECTRIC COMPANY

George Papanic, Jr.
Senior Project Engineer - Licensing
