Johnson County Memorial Hospital  
ATTN: Gwynn Christie  
Administrative Director  
P.O. Box 549  
Franklin, IN 46131

Dear Ms. Christie:

Per your request, enclosed is Amendment No. 08 to NRC License Number 13-14817-01.

Please note that since you will be using byproduct material for in vitro studies pursuant to 10 CFR 31.11, we have deleted this material from your license.

Also Subitem 7.C. (formerly 7.D.) was modified to insure that all iodine-131 used for therapy is manufactured and distributed by persons authorized to do so by the NRC or an Agreement State.

In view of these changes, please review your license carefully to assure that you understand and are in compliance with the terms and conditions contained therein. If you have questions, please contact our office by dialing (312) 790-5625.

Sincerely,

Original Signed By  
B. J. Holt  
Materials Licensing Section
