Gentlemen:

Attached please find form NRC 313 M, to allow for possession of radioactive materials. The only material requested is a Gadolinium-153 source, to be used in a bone densitometry system. An appendix of supplementary information is also attached. Please note that all physicians to be listed as authorized users are certified by the American Board of Nuclear Medicine. Should you have any questions regarding this license application, please contact me at (201)533-5816.

A check for \$580.00 is enclosed.

Very truly yours,

*Patrick J. Conte, M.D.*
