RE: NRC License #35-19227-01
Control #18488

Dear Mr. Whitten:

Thank you for bringing the deficiencies of our NRC license renewal application to my attention.

Please refer to our licensed amendment reference dated 12-8-81, 3-1-82, and 7-12-82, for the information needed to complete your evaluation of our license. I-131 for Hyperthyroid Therapy is the only GROUP IV we desire. The procedures/policies submitted and approved on those dates are still applicable.

Thank you for your assistance in this matter, and if I can be of further service please call me.

Sincerely,

David Turnbo,
Associate Administrator
