Gentlemen:

The following is a request to renew our Nuclear Materials License #24-18952-1. The only changes are reflected in my letter to you of 08-27-85. Requesting an amendment to have my name placed on the license instead of Virgil Strader. I have generated both of these letters after a conversation with your Barbara Schnulle.

Enclosed is a check for \$120 as per part 170.31 subparagraph J of the Federal Register.

If you have any questions regarding this please feel free to contact me.

Sincerely,

SIKESTON POWER STATION - UNIT #1

Jackie Lynn Leonard
