RE: APPLICATION #02468

Dear Ms. O'Rielly:

I am enclosing a corrected copy of our license application showing that the Model SHLM-B-1 will contain a source of 50 mCi activity.

Also, a copy of our lockout procedure with drawings is included.

I hope this will satisfy the requirements for the license. If further information is needed, I will be glad to supply it.

Sincerely yours,

*JW Fraza*
