Dear Mrs. Marshall,

Please find attached our submission for renewal of material license 35-19300-01 which is scheduled to expire February 28, 1985. Additional documentation on operations and training is provided which was not available at the time of the original license submission. The only major change from our original license is in supervisory personnel which is described further in the renewal application.

Two copies of all documentation are provided for your review and approval. Please contact me at (405) 275-6850 if you should have any questions.
