Attn: Permits Section

Dear Sir:

On June 10, 1985 the Carthage Plant of Hercules Incorporated was sold to IRECO Incorporated. Our facility requests that NRC license number 24-20161-01 be amended to show IRECO Incorporated as the new licensee. There have been no other changes at our facility that would effect any of the other conditions of our materials license. We have enclosed a check for \$60.00 to cover the fee for this licensee name change amendment. If you have any questions, please call.

Very truly yours,

IRECO Incorporated
