Good morning Zach,

This message has a PDF encrypted password protected envelope attached. The envelope contains your amended license and cover letter for your review. Please contact me at 817-681-3027 to obtain the password to open the security envelope to be able to open the license and cover letter.

Due to the COVID 19 pandemic, all NRC employees are working remotely and we are not sending hard copies of licenses. You will not be receiving a paper copy of these documents in the mail.

Please save the copies of these documents for your records.

Thanks,
