Division of Security Operations  
Office of Nuclear Security and Incident Response

FROM: Danté Johnson, Chief **/RA**  
Security Performance Evaluation Branch  
Division of Security Operations  
Office of Nuclear Security and Incident Response

SUBJECT: MEETING SUMMARY FOR THE CLOSED MEETING BETWEEN  
THE U.S. NUCLEAR REGULATORY COMMISSION STAFF,  
NUCLEAR ENERGY INSTITUTE, ENTERGY, NEXTERA, AND  
INDUSTRY STAKEHOLDERS CONCERNING THE  
CONSIDERATION FOR RESUMING FORCE ON FORCE  
INSPECTIONS

On May 12, 2020, the U.S. Nuclear Regulatory Commission held a closed meeting. The purpose of this meeting was to discuss considerations for resuming force-on-force inspections with representatives from the Nuclear Energy Institute, NextEra, Entergy, and other relevant stakeholders. Enclosed is a summary of the meeting and link to the presentation.
