Commonwealth Edison Company  
ATTN: Mr. Cordell Reed  
Vice President  
Post Office Box 767  
Chicago, IL 60690

Gentlemen:

Subject: NRC Independent Measurements

In our letter to you dated February 26, 1986, concerning this subject, we notified Commonwealth Edison Company of our plans to perform an independent verification inspection at Dresden Station, Unit 3, using the NRC Nondestructive Examination (NDE) Van. Due to a reassignment of our priorities for the NDE van, we will not be conducting this inspection effort. Mr. M. Turback of your staff was notified regarding this matter on March 14, 1986.

We appreciate your cooperation with us.

Sincerely,
