Subject: Revetment Surveillance Program (SER Outstanding Issue No. 4)

Dear Sir:

Pursuant to our commitment, reflected in Section 2.5.5.3 of
Reference (b), we have developed a surveillance program for the revetments. A
copy of this program, entitled "Revetment Surveillance Program," will be made
available for the Staff's review and information out of our Bethesda Licensing
Office.

We believe that the above and References (c) and (d) complete the
response to SER Outstanding Issue No. 4. Accordingly, we request that the
resolution of this issue be reflected in the next supplement to Seabrook
Station's SER.

Very truly yours,

John DeVincentis, Director
Engineering and Licensing
