URANIUM REDUCTION COMPANY SAMPLING DATA

LI:RTK

Transmitted herewith are two (2) sets of data just received from  
the Uranium Reduction Company of Moab, Utah.

These data will serve as supplementary information to that discussed  
in our telephone conversation of last week and to that included in  
my TWX to Kriegsmann dated July 20, 1960.

The data herewith includes its transmittal letter from Mr. T. F.  
Izzo and with the latter is self explanatory.

If further information on this matter is required, please advise me.

Enclosure:

As stated above
