Dear Ms. Concannon and Mr. Woollacott:

I am responding to your letter of April 25, 1997, to the Chairman in which you emphasized the importance of the NRC's and your Council's oversight efforts to ensure that an objective and competent review is performed by the Independent Corrective Action Verification Program contractor. We plan to carry out our regulatory oversight program, including inspection activities and licensing reviews to ensure a thorough and objective evaluation at Millstone.

I appreciate your active participation and valuable input to date. The staff will continue to offer you the opportunity to participate in the NRC's future oversight activities at Millstone.

Sincerely,

Original signed by
Frank J. Miraglia
