

46-3453

June 1, 1960

Mr. John Goff
Chief Chemist
Uranium Reduction Company
P. O. Box 488
Moab, Utah

Dear Mr. Goff:

In reply to your request of May 16, 1960, the A.E.C. Operations Office at Oak Ridge, Tennessee, has been authorized to supply you with a small sample of Thorium-230.

Dr. Herman M. Roth, Director of the Research and Development Division at Oak Ridge, will send instructions to you within a few days concerning the procedure for transferring the sample.

Sincerely yours,

T. R. Jones
Chemistry Branch
Division of Research

cc: J. C. Delaney, L & R
