SUBJECT: CONCURRENCE WITH THE ATLAS MINERALS, MOAB
DRAFT ENVIRONMENTAL STATEMENT (DOCKET NO. 40-3453)

Enclosed for your concurrence is a copy of the Atlas, Draft Environmental Statement. Comments from your previous review have been incorporated on pages 3-14. In addition to your comments the most significant revisions have occurred in Chapter 10.

Your concurrence is needed prior to sending the DES to the printers on November 21, 1977. Please indicate your concurrence by signing and returning the attached approval sheet. The Federal Register Notice is also enclosed and your concurrence is required on the yellow sheet of the notice. I will be available to meet with you in order to expedite these items. My phone number is x74103.
