Re: USNRC Materials License No. 13-01⁷F19-02

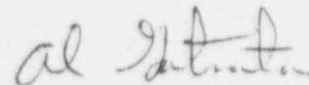

Dear Sir/Madam:

I am sending this correspondence which will serve as **notification** that we would like to add Dr. Bryan Burney to USNRC Materials License No. 13-01F19-02 for radioactive materials identified under 10 CFR 35.100 and 35.200. Dr. Burney is an authorized user and Radiation Safety Officer at Riverview Hospital located at 395 Westfield Boulevard, Noblesville, IN, 46060. The USNRC Materials License at Riverview Hospital is identified as License No: 13-16286-01.

Dr. Burney's credentials and experience has been reviewed and approved by the Radiation Safety Committee at this facility in compliance with 10 CFR 35.22 (b) (2) (i) and 35.22 (b) (2) (ii) which met on April 8, 1997. It is my understanding a fee is not required as this serves as notification under 10 CFR 35.14 and not deemed an amendment request.

If you have any questions, please feel free to contact me at 765/675-8501 or Mr. Edward E. Wroblewski, Medical Physics Consultants, Inc. At 313/662-3197.

Sincerely,

Al Gatmaitan
Chief Executive Officer
