Uranium Reduction Company
218 Felt Building
Salt Lake City, Utah

Gentlemen:

Reference is made to a source material license bearing number R-161 and dated June 1, 1955, issued to you by the Atomic Energy Commission.

Pursuant to the authority recited in said license and information furnished by you, the license is amended as hereinafter set forth.

In the event that during the term of said license you become entitled, under your ^{existing} ore purchase contract with Utex Exploration Company for the sale of ore from the properties described in Appendix "D" to Contract No. AT(05-1)-266 with the Atomic Energy Commission, to take and remove ore from said properties for processing at your plant at Moab, Utah, under said Contract No. AT(05-1)-266, you are also ^{herely} authorized during such time:

To transfer raw source material to the above-mentioned plant at Moab, Utah, from the properties of Utex Exploration Company described in Appendix "D" of Contract No. AT(05-1)-266 with the Atomic Energy Commission.

You probably have an established form for
modifications to existing licenses. The draft
amendment to the Uranium Reduction Company license
is not intended to supersede any form which you
may be using, but is merely a suggestion of
language.
