Gentlemen:

Enclosed is AEC License R-161, as amended, which has been extended to expire on December 31, 1966, in accordance with your request.

We are presently conducting a survey of your Moab installation. The Commission's action in extending the termination date of this license is not to be construed as prejudicing any action which might be taken by the Commission as a result of this survey or as a result of surveys or inspections made in the future.

Sincerely yours,
