Gentlemen:

Thank you for your letter of December 4, 1985, in response to our letter and Notice of Violation dated November 5, 1985. We have reviewed your reply and found it responsive to the concerns raised in our Notice of Violation except that it did not adequately address the reason for the violation. Since the reason for this violation has been addressed separately as confirmed in a telephone call with your Mr. Reed on February 21, 1986, no additional response is requested. We will review the implementation of your corrective actions during a future inspection to determine that full compliance has been achieved and will be maintained.

Sincerely,
