

Docket No. 40-3453

AUG 10 1962

Atlas Corporation
60 Pine Street
New York 5, New York

Attention: Mr. Edward R. Farley, Jr.
Vice President

Gentlemen:

This is in response to your letter of July 20, 1962, and that of Uranium Reduction Company dated July 16, 1962.

Pursuant to Section 40.46 of 10 C.F.R. 40, Source Material License No. R-161 is hereby transferred to Atlas Corporation and said license is amended to reflect the change of name from Uranium Reduction Company to Atlas Corporation.

This transfer and license amendment are effective upon the consummation of the mergers described in your letter of July 20, 1962.

All other provisions and conditions contained in License R-161 remain unchanged.

You are requested to notify the Commission promptly of the consummation of the mergers in order that the Commission's records will reflect the effective date thereof.
