Attention: Mr. R. F. Hollis
Vice President - Milling

Gentlemen:

This refers to your letter dated March 27, 1964, concerning the use of two-stage particle collectors in your air sampling program.

It appears from the information contained in your letter that, based on an allowance for particle size, you are applying for an authorization to expose employees to airborne radioactivity in excess of the limits established in Appendix B, Table I, 10 CFR 20. Accordingly, your application should be filed in accordance with the provisions of Section 20.103(c)(2), 10 CFR 20, and should contain the information requested therein.

Very truly yours,

Donald A. Nussbaumer, Chief
