We have received and appreciate your comments on Conoco's Environmental Report for the Sand Rock Mill Project in Campbell County, Wyoming as provided by your July 30, 1981 letter.

Your comments are currently being reviewed and will be considered to the maximum extent possible in the preparation of the Draft Environmental Statement on this project. Due to the fact that we are currently in the final stages of preparing the DES, responses to your comments which are not incorporated in the DES will be addressed in the Final Environmental Statement.

Sincerely,
