Attention: Mr. R. F. Hollis

Gentlemen:

In our letter to you dated April 27, 1962, we requested certain information in support of an application from Uranium Reduction Company to discharge liquid effluents containing radioactive material in concentrations greater than the limit permitted in 10 CFR 20. As of this date, we have not received a reply to this request. Therefore, unless this information is submitted within thirty (30) days from the date of this letter, it will be necessary that we consider denial of this application.

Very truly yours,

Donald A. Nussbaumer, Chief
Source and Special Nuclear Materials Branch
Division of Licensing and Regulation
