50-323 O.L.)

Gentlemen:

Enclosed please find the Joint Intervenor's Application For A Stay. We request that the Appeal Board rule on the application no later than Tuesday, September 15, 1981 so that, in the event that the Board refuses to grant the application, it can be renewed to the Commission before it makes a decision on the low power test license, which decision is currently scheduled for Friday, September 18, 1981.

Very truly yours,

David S. Fleischaker, Esq.
Counsel to the Joint Intervenor
