U.S. N.R.C.
MATERIALS LICENSING BRANCH

Dear Mr. Hickey:

We respectfully submit the following information in regard to the renewal of the above license.

We have completed a review of documents previously submitted to ensure that the information contained therein is up-to-date and accurate. The license and the supporting documentation (Raytheon letter dated September 6, 1979) require only minor updating of the first paragraph to reflect the recent renewal of NRC License No. 20-01896-03 on February 28, 1985.

The documentation submitted on License No. 20-01896-03 supplements and supports without change the current program. Please contact:

Walter W. Hartford
Raytheon Company
Microwave & Power Tube Division
190 Willow Street
Waltham, MA. 02254
Telephone: (617) 642-4291

in regard to this renewal request. The appropriate fee for the license renewal in accordance with Section 170.31(3)(I) of 10CFR Part 170 is enclosed.

We trust that this information fulfills your requirements. Should any further information be required, do not hesitate to contact me.

Very truly yours,

RAYTHEON COMPANY
MICROWAVE & POWER TUBE DIVISION
