SERVED SEP 10 1981

In the Matter of

COMMONWEALTH EDISON COMPANY

(Byron Station,
Units 1 and 2)

Docket Nos. STN 50-454-OL
STN 50-455-OL

September 9, 1981

REVISED SCHEDULE

A schedule for this proceeding was issued by the Board August 19, 1981, based upon the following information furnished by counsel for the Staff in his letter dated July 14, 1981:

"This is to advise that the present schedule for the issuance of staff documents in this proceeding is as follows:

Draft Environmental Statement - January 1982
Final Environmental Statement - June 1982
Safety Evaluation Report - April 1982
Supplemental Safety Evaluation Report - May 1982"

However, in a September 15, 1981 Report to Congress by NRC Division of Licensing, CY 1983 Plants, Table 2, the following information will be furnished the Bevill Committee:

Issue DES - 11/05/81
Issue FES - 4/05/82

PS02
50/1

Issue SER - 2/07/82

Issue SSER - 3/30/82

Start of Hearing - 08/82

The effect of these new dates for the issuance of Staff documents is to advance or accelerate various triggering dates by about 60 days. Accordingly, in reliance upon this report the previous Schedule is amended to reflect such acceleration as follows:

Revised Schedule
