Mr. Leland C. Rouse
Chief of Fuel Fabrication
and Reprocessing Branch
Fuels and Materials
Directorate of Licensing
U.S. Atomic Energy Commission
Washington, D.C. 20545

Dear Mr. Rouse:

Attached is a list of equipment which has been designated for removal from operations by milling personnel at our Moab plant. We would like to have permission to begin removing all or part of the equipment as our work load permits. Removed equipment will either be stored in our salvage yard for possible future use or decontaminated and sold.

Very truly yours,

R. F. Hollis
