ATTN: John M. Bull, Colonel
U.S. Army Commanding
Aurora, CO 80045-5000

Dear Colonel Bull:

I am responding to your December 20, 1996, letter requesting that the FY 1997 annual fee assessed under Invoice AM1341-97 for License No. 05-00046-13 be prorated and that NRC grant a 30-day extension of the payment due date to February 16, 1997, until NRC makes a final determination as to the correct annual fee.

A review of License 05-00046-13 confirms that Condition 23 of Amendment No. 58 states "As of July 1, 1996, the licensee's authorized activities are limited to those decommissioning activities necessary to decontaminate facilities and equipment, package materials for radioactive material transfer or waste disposal, and other activities as may be necessary to release the equipment and facilities for unrestricted use". The licensing staff has confirmed that this is the current authorization. Accordingly, License 05-00046-13 is not subject to the FY 1997 annual fee, and Invoice AM1341-97 has been cancelled. Your payment is being refunded. You should receive the refund in approximately 30 days from the date of this letter.

If you have any other questions, please contact Rita Messier at 301-415-6067.

Sincerely,

Signed by
Glenda Jackson
