

MAY 30 1985

Docket No.: 50-322

MEMORANDUM FOR: B. Sheron, Chief
Reactor Systems Branch

FROM: W. Butler, Chief
Licensing Branch No. 2
Division of Licensing

SUBJECT: SHOREHAM PRA REVIEW

In order to fulfill its commitment to the ASLB to submit a Level 3 PRA of Shoreham to the staff, LILCo expects to provide us with the consequence analysis section of the PRA in the near future. In light of this, I did not feel it necessary to request the consequence analysis, from the licensee, as you had suggested in your April 4, 1985 memo to A. Schwencer. Because the licensee has not yet provided this section of the PRA, your estimated date for completion of this part of the PRA review should be adjusted accordingly.
