Alaska Welding Center
ATTN: Mr. S. N. Watson
3021 Davis Road
Fairbanks, AK 99701

Gentlemen:

Enclosed is Quality Assurance Program Approval for Radioactive Material Packages No. 0404, Revision No. 2.

In regard to your letter dated March 3, 1986, our records indicate that Alaska Welding Center is already a registered user of the packages identified in the letter. Accordingly, no further action is necessary.

Sincerely,

Original Signed by
R. M. McDonald

Charles E. MacDonald, Chief
Transportation Certification Branch
