

Florida Power

CORPORATION
Crystal River Unit 3
Docket No. 50-302

April 25, 1997
3F0497-02

U. S. Nuclear Regulatory Commission
Attn: Document Control Desk
Washington, D.C. 20555-0001

Subject: Management Corrective Action Plan (MCAP) II, Revision 2

Reference: FPC to NRC letter, 3F0397-03, dated March 13, 1997

Dear Sir:

In the above referenced letter, Florida Power Corporation committed to docket Revision 2 to the Management Corrective Action Plan (MCAP) II by April 30, 1997. This revision includes revised completion dates that reflect the impact of the restart effort that is currently ongoing at the Crystal River Unit 3 site.

Attached please find the Management Corrective Action Plan, MCAP II, Revision 2 dated April 18, 1997.

If you have any questions regarding this issue, please contact Mr. James S. Baumstark at (352) 563-4755.

Sincerely,

Roy A. Anderson
Senior Vice President
Nuclear Operations
