JUN 24 1985

Mr. J. H. Goldberg
Group Vice President - Nuclear
Houston Lighting and Power Company
Post Office Box 1700
Houston, Texas 77001

Dear Mr. Goldberg:

SUBJECT: SOUTH TEXAS PROJECT, UNITS 1 AND 2 - DRAFT AND FINAL
ENVIRONMENTAL STATEMENTS

This is to inform you of two decisions made by the staff regarding the Environmental Statements on South Texas Project. The first is that our statements will include consideration of accident risks calculated by using new source term methodology. We will portray such risk using the old as well as the new techniques in the Environmental Statements.

The second decision is to alter the schedule for the Environmental Statements to accommodate our resource constraints as well as the introduction of new information. The following is our current schedule.

	<u>New Schedule</u>	<u>Old Schedule</u>
Draft Environmental Statement	November 1985	September 1985
Final Environmental Statement	March 1986	February 1986

The next Bevill Schedule will reflect the above changes. Please contact Dr. Prasad Kadambi of my staff if you have any comments.

Sincerely,

Thomas M. Novak, Assistant Director
