Gentlemen:

Enclosed is Amendment No. 02 to NRC License Number 12-05650-19 which authorizes use of a J. L. Shepherd calibrator at your Mazon EOF.

Please note the following:

1. We have not listed Messrs. Aldrich and Keith as authorized users at this time. After they have completed training on the calibrator, your license can be amended accordingly.
2. Condition 17 has been added to your license. This condition requires that an authorized user be present at the Zion EOF and Mazon EOF during operation of the calibrators.

In view of these changes, please review your license carefully to assure that you understand and are in compliance with the terms and conditions contained therein. If you have questions, please contact our office by dialing (312) 790-5625.

Sincerely,

B. J. Holt
