Amendment Application

Dear License Reviewer:

Spitz Clinic has recently been purchased by Lorraine C. King, M.D. and Alan W. Skelly. The name of this institution has been changed to: "The Neurology Center, Inc.". Please amend our radioactive license to recognize this name change.

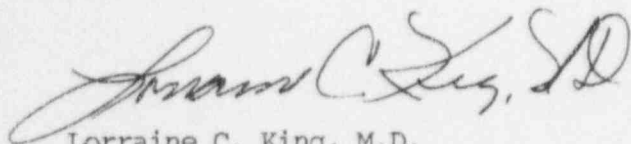

Dr. Spitz will remain as radiation safety officer and authorized user. In addition, all statements referenced within the license application will remain unchanged. At the present time, administrative representatives have no intention to relocate and/or modify nuclear medicine operations.

In addition, all license commitments established for this licensee will remain in effect. Only the facility name and ownership has been changed.

If you have additional questions, please contact Michael W. Lairmore or myself. Mr. Lairmore may be reached at (201)447-3303.

We thank you in advance for your assistance with this licensing action.

Sincerely,

Lorraine C. King, M.D.
