Gentlemen:

Subject: Inspection Report No. 84-01

This refers to your letter dated June 14, 1985.

Thank you for informing us of the corrective and preventive actions documented in your letter. Since you were issued a NRC Form 591 as a result of our inspection, you need not have sent your letter dated June 14, 1985 but rather kept your corrective actions on file for our review at the next inspection of your facility.

Your cooperation with us is appreciated.

Sincerely,
