Subject: Clinton Power Station
Use of Respiratory Protective Equipment

Dear Mr. Keppler:

In accordance with 10CFR20.103(g), Illinois Power Company hereby notifies you that after 30 days from the date of this letter, if necessary, qualified personnel at the Clinton Power Station will be permitted to use respiratory equipment as a protective measure for airborne radioactive materials. If you have any questions on this, please call me.

Sincerely yours,

F. A. Spangenberg
Manager - Licensing
and Safety
