Gentlemen:

Thank you for your letter dated March 10, 1986, informing us of the steps you have taken to correct the violations identified in our letter dated February 13, 1986. With respect to Item No. 4, under License No. 24-04581-19, your letter indicates that you will file an application for an appropriate amendment to achieve corrective action for the item of violation. It should be understood that no activity is in accord with NRC regulatory requirements unless and until it is specifically authorized in an NRC license. Steps should be taken to ensure that NRC-licensed materials are hereafter possessed and used only as authorized by your license. We will examine this matter during a future inspection.

Your cooperation with us is appreciated.

Sincerely,

D. J. Sreniawski, Chief
Nuclear Materials Safety Section 2
