Dear Mr. MacDonald:

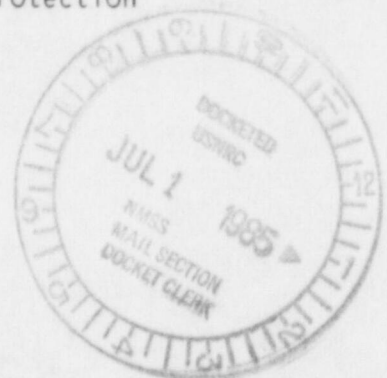

The Certificate of Compliance No. 9139 for Tennessee Valley Authority's transportation cask model 589 expires on July 31, 1985. We hereby request renewal of the certificate of compliance. There have been no changes to the cask design, the drawings, or other supplementary information concerning this container since General Electric Company's March 24, 1980 application and May 29, 1980 supplement.

If you have any questions concerning the renewal of the certificate for this container, please get in touch with P. J. Hammons of my staff at FTS 858-2736.

Very truly yours,

TENNESSEE VALLEY AUTHORITY
