SUMMARY

Mr Denney didn't understand process of being added to IML license, i.e. their license would have to be terminated. He was under the assumption that there was an inactive status to which ~~that~~ their license could be put in assigned. He requested that we wait in issuing termination until he could discuss matter with other neighboring hospitals.

30 May 1985 1:15 pm

12 June 1985 8:02 am Spoke with Mr Denney, issue has been resolved and they do desire now to terminate their license.
