Subject: INSPECTION NO. 030-12782/97-001

Dear Mr. Shanbaky:

The purpose of this letter is to request an amendment to the following materials license:

License Number 31-17455-01
Docket No. 030-12782

Specifically, it is requested that Condition 11 be amended to remove the name of William J. O'Connell as Radiation Safety Officer. In his place, please authorize Hassan Etemadi, M.D. to serve in the capacity as Radiation Safety Officer. Dr. Etemadi presently serves as the Radiation Safety Officer at Castle Point VA Medical Center - United States Nuclear Regulatory Commission Materials License No. 313-11399-01.

With this change in mind, it is requested that a 30-day extension be granted for the hospital's response to the violations cited in your communication of March 7, 1997. The items referred to in that letter have been addressed, however, it would be appropriate to have the new Radiation Safety Officer involved in the construction and implementation of the corrective action plan.

Please feel free to contact Patricia Thomas, Administrative Assistant/Chief of Staff, (914) 737-4400 X2417, to provide any additional information in this matter.

Sincerely,

MARYANN MUSUMECI
