SUBJECT: ARRESTS RESULTING FROM DRUG INVESTIGATION

The San Luis Obispo Narcotics Task Force, a joint local/state force, announced the results of an undercover drug investigation at the Diablo Canyon plant in a press conference this morning. Nine people have been charged with felony sale of cocaine, marijuana and methamphetamines off site. Eight of those charged are contractor employees; the ninth did not work at the plant. No licensee employees were charged.

The licensee requested the investigation, and cooperated fully. The eight month investigation turned up no evidence of onsite drug use. The licensee is questioning some contractor employees and one licensee employee whose names were included in the investigation reports, but who were not charged with crimes by the task force. No senior or management personnel, operators or plant maintenance personnel are involved.

The licensee is responding to media queries. Region V has also responded, but is directing most queries to the licensee.
