Dear Mr. Kinneman,

Further to your recent letter requesting information regarding the distribution of Carlo Erba ECD-40 detectors, please find attached a complete list of our ECD-40 users in the U.S.A. A wipe test certificate is also available if you require for all ECD-40 detectors in the U.S.A.

I confirm we have stopped distribution of the ECD-40 detector while our application is being processed. I would be most grateful if you could send me some information relating to the procedure for distribution and the regulations pertaining to the license for potential users.

Please do not hesitate to contact me if you require any additional information or assistance.

Yours sincerely,
