Mr. Lester Tripp
U.S. NRC
631 Park Avenue
King of Prussia, PA 19406

Dear Mr. Tripp,

Further to our recent telephone conversation I would advise you that details of the Amersham Ni 63 source used in our ECD-40 are as follows:

Model NBC 1 Type NBC 3, source Q 7086.

The additional information which you require is being prepared and will follow shortly.

Yours sincerely,
ERBA INSTRUMENTS INC.

Thomas M. Jackson
President
