## FREEDOM OF INFORMATION ACT REQUEST

Mr. Joseph Felton, Director  
Division of Rules and Records  
U.S. Nuclear Regulatory Commission  
Washington, D.C. 20555

FOIA-85-186

rec'd 3/20/85

Dear Mr. Felton:

This request is made under the federal Freedom of Information Act, 5 U.S.C. 552.

Please send me all drafts and final copies of letters from the Nuclear Regulatory Commission to Rep. Edward Markey concerning the Grand Gulf 1 nuclear plant, located near Port Gibson, Miss.

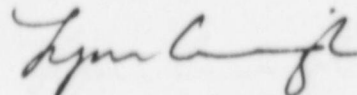

The Freedom of Information Act provides that if portions of a document are exempt from release, the remainder must be segregated and disclosed. Therefore, I will expect you to send me all nonexempt portions of the records which I have requested, and ask that you justify any deletions by reference.

I promise to pay reasonable search and duplication fees in connection with this request. However, I am a journalist employed by The Times-Picayune/The States-Item and intend to use the information as the basis for newspaper articles. Therefore, I ask that you waive all search and duplication fees.

As I am making this request in the capacity of a journalist, and this information is of timely value, I would appreciate hearing from your office by telephone rather than by mail if there are any questions regarding my request.

Thank you for your assistance. I look forward to receiving a reply within 10 days, as required by law.

Sincerely,

Lynn Cunningham
