IN RESPONSE REFER  
TO FOIA-85-298

Dear Mr. Flaharty:

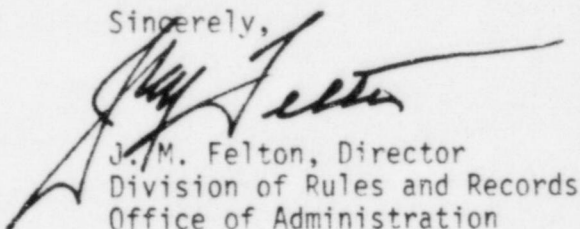

This is in partial response to your letter dated April 11, 1985, in which you requested, pursuant to the Freedom of Information Act (FOIA), three categories of records regarding Chem-Nuclear, Inc., and Waste Management, Inc.

The NRC has previously responded to two FOIA requests for records containing information similar to that identified in your letter. Copies of those requests and NRC's response letters, listed on the enclosed Appendix A, are enclosed.

The documents identified in the response letters may be obtained from the NRC Public Document Room (PDR) located at 1717 H Street, NW, Washington, DC 20555. We are enclosing a notice which explains procedures and charges for obtaining records from the PDR.

The NRC has not completed its search for and review of documents subject to your request. We will respond as soon as those actions are completed.

Sincerely,
