Dear Mr. Fischer,

DCF

Dist during
266th Mtg.

I have run into copying problems, but am anxious to get this in the mail today in hopes of your receiving it by Tuesday.

I would greatly appreciate if you would help me get the necessary copies to chairman Obrent and the other ACRS members.

I decided not to attach any documentation but will do so if requested later.

Again - thank you for your helpfulness.

Sincerely,

Barbara Stamiris
